Farm - Tested OCCO FEEDING Programs Bring Top Returns at Lowest Cost

OCCO Protein Plus Mineral FEEDS are delivered to you fresh and full strength by your OCCO Service Man. His business is to help you make better profits from your hogs, poultry, sheep, dairy or beef cattle. He's a neighbor of yours. He sells quality feed products. Let him help you with your livestock and poultry feeding programs.

For Hogs . . . OCCO'S *"Pig To Payoff"* Program

It will pay you to feed your pigs OCCO all the way from farrowing to market. They'll get a fast, safe, scour-free start with OCCO . . . they'll get a scientifically balanced ration with OCCO . . and they'll put on those profit-gains at a lower cost with OCCO Feeds, OCCO Hog Mineral and OCCO-LAK.

For Dairy Cows . . OCCO'S *"Double Dairy Dividends"* PROGRAM

OCCO dairy herd research has really paid off for dairymen who depend on OCCO'S "Double Dairy Dividends" program to help develop a healthy, stronger calf . . . to help get the cow back on the production line . . . to help build a fast developing heifer . . . and to help increase the entire herd's milk production. OCCO Calf Feeds, OCCO Dairy Supplement, OCCO-LAK and OCCO Dairy Minerals can help you, too.

For Beef Cattle . . . OCCO'S *"Bigger Beef Bonus"* PROGRAM

There's no substitute for the OCCO method of rumen stimulation with live cell yeast cultures and NATURAL RUMEN ORGANISMS in converting your grains and roughages into low cost beef gains. If your beef operation is calf and feeder production or if you're feeding for market, you'll realize better profits from your feeding dollar on the complete OCCO "Bigger Beef Bonus" program. Ask about it!

Ask your OCCO Man for Free literature describing these outstanding farm-tested feeding ration programs. Or, write direct to Dept. 640-FD, Oelwein, Iowa.
